DINING & LIVING

Enhance your living space with our Lundy Collection. Whether you choose just a sideboard, dining table, TV unit or even a full dining suite, the Lundy design will create a beautiful and striking presence in your home.

With a choice of style, paint colour, oak colour and handles, there is a design for every home. Once you have picked your items, browse the last page for our full complement of finishing options.

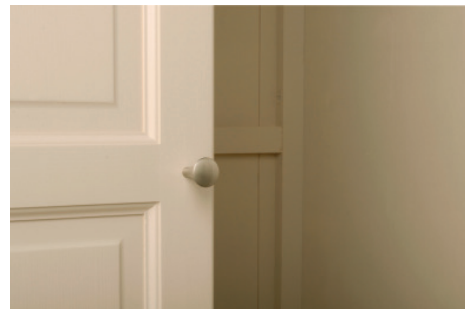

You can create a warm and comfortable feel to your dining and living space knowing each piece is individually crafted. Manufactured in our North Devon factory, we employ the best techniques to create solid drawers, dovetailed joints, tongue and groove backs whilst incorporating valued features such as solid pine construction throughout, solid oak tops and a long-lasting paint finish.
