

AUCKLAND DINING

Our dining has never been better with the sociable settings that Auckland brings to your outdoors. Tightly hand-woven onto aluminium frames using Light Bonano 6mm Tissé® round core this natural finish looks good in any garden. We offer three round dining tables seating up to six or eight; each comes with a choice of dining chair, carver, winged chair or a very stylish bench seat.

This very flexible range also includes an occasional table for two, a cosy set if you have a smaller space or balcony.
