JAY-BE
Sleep Smart

Shown here in Duck Egg

Period design influences are combined with modern fabrics and the latest fillings to create the JAY-BE® Classic Pocket Sprung Sofa Bed. Reflex foam seats and patented Micro Pocket Spring technology make the Classic a comfortable everyday sofa which turns into a luxurious bed in seconds. You can enjoy total comfort from your everyday sofa and your guest will sleep soundly thanks to the exclusive mattress boasting over 1600 individual pocket springs.

All JAY-BE® sofas are made in the UK and every detail is considered. As well as looking stylish and offering supreme comfort, JAY-BE® use premium fabrics which are produced in Huddersfield, West Yorkshire, England. Huddersfield is respected worldwide for producing some of the finest fabrics available and specialist production techniques, combined with durable threads guarantee that a JAY-BE® sofa will not only look great but stand the test of time.
