Sofas are hand crafted and made to order from the finest materials, sourced from around the world. Our leathers are natural, have character and age beautifully. All our solid hardwood comes from sustainable forests and our shapely legs are hand turned and polished to perfection. Fillings are super soft, mixing feather, foam and fibre. We test to the highest British standards, (including our own A&J bottom test!)

Insanely comfortable sofas. Unwind - British style...
