motion
intelligent

The collection

Situated in the heart of the Black Country in the West Midlands, Furmanac have been a market leader in motion intelligence furniture since 1968 and are currently the UK's largest manufacturer of adjustable beds and motion bed frames.

We now offer this "back to our roots" collection of premier Sofa Beds giving you exceptional designs, excellent choice, and as always, great value for money.

All of these new models have a high specification and can easily be enhanced with various options to create a bespoke item that is meticulously hand-made, especially for you.

Contents:
